Senior Boys – 7km

101	Addy Nixon	Waterdown
104	Nick D'Alessandro	Henderson

There were 270 finishers in this race. Our athletes were absolutely great!

Congratulations to all HOC athletes who chose to compete in the various cross-country meets. It was super to see that some of our sprinters also took part in some of these contests. From experience, I know just how tough that can be.

Congratulations to Pauline, Patti and Danielle for all the work that they have put into getting these athletes ready – both in the past and the present – and prepared for the “fun and games” of the autumn season.
