

Hamilton 91st Highlanders
 Indoor Meet Results
 February 20, 2014
 Copps Coliseum
 (First Ontario Centre)

Many HOC athletes participated in this school meet. Rhona worked hard going through all the results listed both at the meet and on-line looking for HOC names. With all the fine print, it's possible some were missed. If you participated and are not mentioned, send us an email with your result and we'll try to update the list.
